original **SNAP-REFLEX™**

Not only a super personal reflector... For Your safety – all the year round

Very high visibility personal reflector with Snap on function for arms and legs. Suitable for use on bags, backpacks, prams etc – also for dogs and horses. One size – very easy to take on and off. Prevent your pants to be caught into the bike chain. Highest long lasting quality. Free from toxic material (PVC, nickel etc). Made in Scandinavia with professional 3M Scotchlite Reflective Material.

The first personal reflector certified according to EN13356:2001 type 2 removable accessory in July, 2001.
CE-certificate No. 28047 JMS01 by FIOH Notified Body 0403.

Companylogo can be printed.
